

One additional point about these projections. They are the time to complete processing and mail the actual notice and/or document. If you check case status online and see that your case has been approved, and you haven't yet received your approval notice or document in the mail, we ask that you wait thirty days from the approval date before contacting us. That is because it may take that long before it is returned to us as undeliverable. You can also print the case status online answer for your records.
